Street Sweeping Parking Restrictions – For the Record

In recent months the Police Department has received inquiries regarding parking violations, current laws and how members of the community can avoid receiving a parking ticket. All streets in Huntington Park have parking restrictions on street sweeping days. The city enforces street sweeping parking restrictions on all streets, even when street sweeping has been curtailed by wet weather. Cars parked on the street during the no parking period for street sweeping are subject to a citation, *even if the street sweeper has already passed.*

This is per 22507.6 of the California Vehicle Code, which reads in part: "*Local authorities may prohibit or restrict the parking of vehicles on designated streets, or portions thereof, for the purpose of street sweeping....*" Simply put, this code doesn't permit the parking of vehicles during the posted dates and times for which street sweeping is designated. It is imperative that residents of Huntington Park understand the importance of this rule and abide by it as to not be penalized. Though the street sweeper may have passed, the Public Works Department and other city services contract providers often schedules maintenance, beautification and repairs in conjunction with street sweeping posted time restrictions. This is done in order to minimize the risk of damage to vehicles and the impact to parking on any additional days.

If there are any questions, you may refer to our city's website at [hPCA.gov](http://www.hPCA.gov). or call City Hall at (323) 582-6161. For more information on the California Vehicle Code, visit leginfo.legislature.ca.gov.

HPPD RIDING IN STYLE

Stepping into the 21st century, your Huntington Park Police Department has updated their police cars with a newer and sleeker design!

We have invested in new police SUV patrol cars to better protect the streets of Huntington Park. These vehicles were purchased with asset forfeiture funds, which results in no financial impact to the City. Asset forfeiture funds are seized assets which are proceeds or instruments of a crime. Prior to our new design, the decals on our police vehicles were created in the late 1990's.

The new updates include the city seal, and an American flag with a blue stripe, representing an

Emergency Service Vehicle. The new graphics are paired with the traditional black and white color scheme of most police vehicles in the U.S.

The new look shown is an example of our department's efforts to step into the new age. In addition, the department has launched a new and revised website which can be found at: <http://huntingtonparkpd.org>.

Be sure to keep your eyes open for the first wave of the new and improved HP Police Cars!

<https://www.shophuntingtonpark.com/>www.hPCA.gov**Restricciones de Estacionamiento Durante el Día Que Pasa La Barredora de Calles**

En los últimos meses el Departamento de Policía ha recibido preguntas sobre las infracciones de estacionamiento, las leyes actuales, y como los miembros de la comunidad pueden evitar recibir tales infracciones. Todas las calles en la Ciudad tienen restricciones para los días en que pasa la barredora. La Ciudad aplica estas restricciones en todas las calles, aun cuando el paso de la barredora sea afectado por días con un mal clima. Los vehículos estacionados en la calle durante los períodos de "No Estacionarse" por el paso de la barredora están sujetos a recibir una infracción, aun si la barredora ya ha pasado.

La sección del código de vehículos en California dice lo siguiente "Las autoridades locales pueden prohibir o restringir el estacionamiento de vehículos en calles designadas, o partes de estas calles, con propósito del paso de la barredora.." Puesto de una manera simple, el código dice que vehículos no se pueden estacionar durante los días y horas designadas para el paso de la barredora. Es critico que los residentes de la Ciudad comprendan esta importante regla y se apeguen a ella para que no reciban una infracción. Aunque la barredora ya haya pasado, el Departamento de Obras Publicas y otras entidades de la Ciudad a menudo llevan a cabo servicios de mantenimiento durante esas horas restringidas para estacionarse. Esto se hace para minimizar el riesgo a dañar cualquier vehículo durante estas actividades y también para evitar la restricción para estacionarse en otros días hábiles.

Si tiene más preguntas, usted puede visitar nuestra página de internet hPCA.gov o comunicarse con el ayuntamiento al (323) 582-6161. Para más información en el código de vehículos de California, visite leginfo.legislature.ca.gov

HPPD CONDUCE EN ESTILO

Adaptándose al nuevo Siglo 21, el Departamento de Policía de Huntington Park ha cambiado el diseño de sus carros por un estilo nuevo y mas eficiente!

La Ciudad ha invertido en nuevas camionetas patrulla para proteger mejor las calles de Huntington Park. Estos vehículos fueron comprados con fondos especiales que no afectan al presupuesto de la ciudad. Estos fondos especiales son resultado de decomisos durante actividades relacionadas con acciones criminales. Antes de este último diseño, las calcomanías de nuestro carros de policía fueron creadas en los años 1990.

El Nuevo diseño incluye el logo de la Ciudad, y la bandera Americana con una sola barra de color azul que representa a un vehículo de Servicio de

Emergencia. El Nuevo diseño se añade al esquema y a los colores blanco y negro tradicionales de la mayoría de los vehículos de policía en los Estados Unidos.

El Nuevo estilmostrado en la foto es un ejemplo del esfuerzo del departamento de policía para estar en sintonía con nuevas generaciones. Además de esto, el departamento ha lanzado una nueva y mejorada pagina de internet la cual puede ser encontrada en la siguiente dirección: <http://huntingtonparkpd.org>.

Asegúrate de mantener tus ojos abiertos para identificar a nuestra primera ola de nuevos y mejoradas patrullas de policía!

Keeping Our City Clean

Another Successful Story

Services observed that the property in fact had become an illegal dumping ground.

On August 24 2017, after an exhaustive coordination with the court to legally access the abandoned private property, the Huntington Park Police Department together with members of the Code Enforcement Division and Public Works entered the location. The cleanup of the property started at 9am and ended at 3pm. All trash, debris, building materials, weeds were picked up and disposed of. The cleanup was completed on August 25th, when the property was closed and locked. In all, nine (9) 40 yard bins of trash was removed from the property. The vacant property has remained open with no further illegal dumping reported.

We invite the public to keep and maintain our city clean and safe.

It is important for the residents to keep our streets free of any bulky item or any other item that is not supposed to be placed on our sidewalks. Make an effort to coordinate with the Trash Hauler "UPW (866) 699-7600 a time and date to pick up your items or to report any illegal dumping to the City at 323.584.6274

Manteniendo Nuestra Ciudad Limpia

Otra Historia De Exito

La propiedad estaba siendo usada para desechar basura ilegalmente.

En agosto 24 del 2017, después de una larga y compleja coordinación con la corte para tener acceso a una propiedad privada y abandonada, nuestro Departamento de Policía junto con oficiales de Aplicación del Código y Obras Públicas entraron al lugar. La limpieza comenzó a las 9 am y terminó a las 3 pm. Toda la basura, desechos, maleza y otros materiales fueron levantados. La limpieza se completó al día siguiente, cuando la propiedad se cerró con un candado. Al final se recogieron nueve (9) camiones de 40 yardas cúbicas de basura. La propiedad se ha mantenido hasta ahora limpia.

Invitamos al público a mantener nuestra ciudad limpia y segura. Es muy importante que nuestros residentes mantengan nuestras calles libres de cualquier artículo voluminoso o peligroso que no debería de ser desechar en nuestras banquetas. Hagan un esfuerzo para coordinar con la Compañía de Basura (UPW) (866) 699-7600 la hora y el día para que recojan sus objetos voluminosos o llame a la Ciudad al 323.584.6274 para reportar desechos ilegales en las banquetas.
